

## Fall/Summer 2017 ITM Undergraduate Advising Notes

### General Advising Information

Summer and Fall 2017 student registration access will be activated according to your current standing—determined by credit hours completed—and the following schedule:

1. Mon, Apr 3, 8:30am: Graduate & U5 (5th Year Undergrad) & **summer course for all students** registration starts
2. Tues, Apr 4, 8:30am: U4 (4th Year Undergrad) registration starts
3. Wed, Apr 5, 8:30am: U3 (3rd Year Undergrad) registration starts
4. Thurs, Apr 6, 8:30am: U2 (2nd Year Undergrad) registration starts
5. Fri, Apr 7, 8:30am: U1 (1st Year Undergrad), exchange, visiting, and non-degree student registration starts

Students with disabilities, varsity athletes and ROTC students will be notified of their registration date and time on a case-by-case basis. Students class standing for registration is based on earned hours, which **does not include** classes taken in the Spring 2017 semester.

**As long as you have registered for courses once previously, starting this semester your Alternate PIN will be automatically provided for you in Blackboard. You may elect to register without advising.** Should you do so, your adviser will have *no* responsibility for lack of progress towards graduation or any courses taken that will not apply to your degree.

Fall 2017 class schedules are officially available Monday March 20 and summer classes have been available for a while. You can view the class schedule either in the MyIIT Academics tab or in the “quick links” on [www.iit.edu](http://www.iit.edu); you can also use the “secret faculty version” of the schedule at <https://my105.iit.edu/coursestatusreport>; just select your subjects from the drop-down box. In order to see **ALL** ITM courses using MyIIT drop-down menus, you must hold down your CTRL key and select Information Tech and Mgmt, ITM Development, ITM Management, ITM Operations, ITM Security & ITM Theory and Technology.

**For Professor Trygstad’s Advisees: I prefer to see all of my students for advising in person**, so please *try* to come and see me during the advising period.

Professor Trygstad will be available for advising at the **Mies Campus** Tuesday through Friday. Advising appointments are available Tuesday through Thursday. I will be available for advising by appointment & during office hours at the **Rice Campus** *only* on Mondays.

**You may schedule an appointment at <http://trygstad.rice.iit.edu/appointment/> but please ensure you are there at or before your scheduled time to be fair to your fellow students.**

You cannot make an appointment during my *scheduled office hours* or on Fridays; just drop in. As a reminder my Mies Campus office is Perlstein 223E and my Rice Campus office is room 227. If there are any changes to my schedule they will be reflected in my calendar at <http://trygstad.rice.iit.edu/calendar/> so you may want to check there before you come see me. Evening advising is unlikely but can only be arranged by appointment via email.

**For Professor Hajek’s Advisees:** Professor Hajek is available on the the Mies Campus Monday through Thursday afternoons, 11:45am to 1:15pm, and can be available by prior arrangement for advising at the Rice Campus on Fridays.

You can make an appointment with Professor Hajek at at <http://hajek.youcanbookme.com>.

### ITM First Year Undergraduate (Freshman) Advising

Freshmen should enroll in a Natural Science or Engineering elective. Remember that two courses in Natural Science or Engineering must be in the same subject area. We strongly recommend PHYS 200, Energy, Waves, Materials, & Forces.

Freshmen should take a humanities elective, i.e. HUM 20X or take a lower social or behavioral science elective. HUM 208 is strongly recommended. Remember that you must take 9 hours of lower-level social or behavioral science and humanities (100/200) but it can be two humanities and one social or behavioral science or two social or behavioral science and one humanity.

Most of your classmates will be taking an Introduction to the Profession (ITP) course numbered 100 (i.e. CS 100, CAE 100, ME 100, etc.) but our course, ITM 100, is now taken in the first semester of your second year and is mandatory for all students.

### ITM Current Second Year Undergraduate (Sophomore) Advising

Sophomore (U-2) students who entered the program as first year undergraduates (freshmen) need to start thinking about a minor, as completion of a minor is required in your ITM program. It can be anything you want—I do think it would be amazing to see someone in IT minor in philosophy—but you really need to start thinking about this. An interesting minor with a strong relationship to ITM is Digital Humanities. Second year students who have not taken MATH 230 Discrete Math should wait until fall Spring 2018 as we are working with the Math Department on a Discrete Math for Non-Math Majors course, possibly MATH 231, to be offered starting that term.

Second year students who have completed three semesters at IIT may want to consider entering the Co-Terminal Degree program, which would allow you to earn a Master’s degree while you are an undergraduate; speak with your adviser for more details.

### ITM Current Third Year Undergraduate (Junior) Advising

Junior (U-3) students who entered the program as first year undergraduates (freshmen) should be two or three courses into your minor since completion of a minor is required in your ITM program. If you are not, we *seriously* need to talk. Also, transfer students who have completed a semester at IIT may want to consider entering the Co-Terminal Degree program, which would allow you to earn a Master’s degree while you are an undergraduate; speak with your adviser for more details.

### Humanities General Education Elective Selection

Here are Professor Trygstad’s recommendations for Upper-Level Humanities General Education electives for Fall 2017 with my reasons. We can’t promise a course will be good; we’re just trying to highlight the courses we believe would be of the most interest to ITM students. There are a *lot* of courses we think will interest you this term, and there are several early evening and evening humanities courses offered, so if you work full-time, grab ’em while you can! All courses are at Mies Campus, and most sections have 22 seats.

**Fall/Summer 2017 ITM Undergraduate Advising Notes**

All course data follows the format: *CRN/Course Number/Days-Time/# of Seats/Bldg-Room/Instructor*

**Mass Media & Society:** Interesting topic, relevant to our profession, taught by a *great* instructor.

40079/COM 372-01/Mon-Wed 3:15pm-4:30pm/22/TBA/Greg Pulliam

**Social Networks:** Interesting topic, again relevant to our profession, taught by someone very knowledgeable in this area.

17840/COM 380-01/ Tues-Thur 10:00am-11:15am/22/TBA/Libby Hemphill

**The City in World History:** Val Martin is a good teacher who “gets” ITM students.

19375/HIST 351-01/Tues-Thur 8:35am-9:50am/22/TBA/Val Martin

**Filming the Past:** Examines the role of visual media in historical studies, and you produce a podcast & a short film. Couples well with ITMD 460! And, it’s an **evening humanities course**.

40082/HIST 377-01/Wed 5pm-7:40pm/22/TBA/Marie Hicks

**Women in Computing History:** Yes, there are women critical to our field from Ada Lovelace to Rear Admiral Grace Hopper. And, it’s an another **evening humanities course**.

19339/HIST 385-01/Tues 5pm-7:40pm/22/TBA/Marie Hicks

**Digital Culture:** Should be the target 200-level humanities course for incoming ITM freshmen.

16885/HUM 208-01/Tues-Thur 10:00am-11:15am/22/TBA/Michael Deanda

**Graphic Novel:** Fancy name for comic books. Serious geek-out territory and a good fit for many ITM students.

40089/LIT 307-01/Mon-Wed 1:50pm-3:05pm/22/TBA/Andrew Roback

**Great Philosophers: Nietzsche:** OK, so maybe you don’t care about about Nietzsche, but the class is taught by the best teacher in the university so I guarantee it will be interesting, and the course will fill up fast.

10920/PHIL 311-01/Mon-Wed 10:00am-11:15am/22/TBA/John “Jack” Snapper

**Ethics:** Solid introductory course in the topic; good complement to ITMM 485 which we offer in the Spring.

18711/PHIL 360-01/Tues-Thur 1:50pm-3:05pm/22/TBA/Elisabeth Hildt

**Social and Behavioral Science General Education Elective Selection**

Here are my recommendations for Social and Behavioral Science General Education electives for Fall 2017 with my reasons. All courses are at the Mies Campus unless noted otherwise. The Subject Code *SSCI* is applied to courses that formerly were cross-listed as both Political Science and Sociology, and can count as either for prerequisite and subject distribution purposes. All course data follows the format:

*CRN/Course Number/Days-Time/# of Seats/Bldg-Room/Instructor*

**Politics and Public Policy:** Policy has a profound influence on IT, especially IT security.

19190/PS 306-01/Mon-Wed 1:50pm-3:05pm/27/TBA/Matthew Shapiro

**National Security:** Good course if you’re considering a career in information security...

18578/PS 385-01/Tues-Thur 1:50pm-3:05pm/27/TBA/Aleksandar Jankovski

**Intro to Sociology of Space:** Great course taught by a great instructor, and if you like it there’s a follow-on 300-level project course. And, it’s an **evening social science course**.

19979/SOC 211-01/Tues 6:25pm-9:05pm/27/TBA/Ullica Segerstrale

**Science in Society:** Interesting course taught by a great instructor.

19981/SOC 303-01/Tues 11:25am-12:40pm/27/TBA/Ullica Segerstrale

**Global Chicago:** A look at Chicago’s place on the world stage. Odd time and day but it might work out in your schedule.

I recommend this course but I do not recommend this instructor

17829/SSCI 220-01/Fri 10:00am-12:40pm/27/TBA/Elizabeth Friedman

**Geographic Information Systems:** A strongly IT-related course and good to have on a resume.

19193/SSCI 225-01/Tues 10:00am-12:40am/27/TBA/Hao Huang

**Topics: Science Fiction in Film:** Not sure why this is SSCI and not LIT, but hey, the title is promising, and it’s in the **evening**.

17831/SSCI 285-01/Thu 6:25pm-9:05pm/27/TBA/Christopher Deis

**Industrial Psychology:** This course is highly recommended and professionally relevant. And no prerequisite!

11447/PSYC/301-01/LEC/3/Mon-Wed 1:50pm-3:05pm/50/TBA/Mahima Saxena

11448/PSYC/301-02/LEC/3/Tues-Thur 8:35am-9:50am/50/TBA/TBD

11449/PSYC/301-03/LEC/3/Mon-Wed 5:00pm-6:15pm/50/TBA/TBD

11450/PSYC/301-04/LEC/3/Tues-Thur 3:15pm-4:30pm/50/TBA/TBD

**Human Issues in Technology:** Very relevant topic to our field. Has prereq of PSYC 221 or PSYC 301.

19352/PSYC 381-01/Tue-Thu 1:50pm-3:05pm/50/TBA/M. Ellen Mitchell

**Cross-Cultural Psychology:** Also very relevant topic to our field, good instructor. Has prereq of PSYC 221.

40043/PSYC 355-01/ Mon-Wed 5:00pm-6:15pm/50/TBA/Mahima Saxena

**WARNING** I have not listed them, but you may notice that there are two online Social/Behavioral Science electives in the fall term: **ECON 423-02 Economic Analysis of Capital Investments** and **PSYC 481-02 Group & Leadership at Work**. I do not recommend either class either live or online, despite the extreme scarcity of online general education electives. This is because experience has shown that if you take one of these courses and four other classes, ECON 423 or PSYC 481 will be as much work as your other four classes combined. I like John Twombly who teaches ECON 423 and Roya Ayman who teaches PSYC 481 and you probably would too—they are excellent teachers—but their expectations are extremely high as is the workload in their classes. If you really need to do a social science elective online AND you are not afraid of hard work (*really* hard work), then GO FOR IT. And remember, your adviser needs to enter a departmental permit for undergrads to register for any online courses.

## Fall/Summer 2017 ITM Undergraduate Advising Notes

### Natural Science/Engineering and Mathematics General Education Elective Selection

Here are my recommendations for Natural Science/Engineering General Education electives for Fall 2017 with my reasons. We are not recommending any Mathematics courses for Fall 2017 as we are working with the Math Department on a [Discrete Math for Non-Math Majors](#) course, possibly MATH 231, to be offered starting in Spring 2018. All courses are at the Mies Campus. All course data follows the format:

*CRN/Course Number/Days-Time/# of Seats/Bldg-Room/Instructor*

**Engineering Graphics for Non-Engineers:** Learn to read blueprints and much more. The time for this class is not listed because the instructor, Jim Novak, gathers up the schedules of all of the students who have enrolled and determines a time for the class to meet that will work for everyone. Jim is "officially" retired and we don't know how much longer he will teach this course, but he is the wizard of engineering graphics so get it while you can. If you want or need to take this, send an email to [novak@iit.edu](mailto:novak@iit.edu) to request a permit to register, and be sure to include your student ID number.

*10444/EG 225-01/TBD/36/RE-029/James Novak*

**Introduction to Energy, Waves, Materials, & Forces:** A four-hour, non-calculus-based physics class. HIGHLY recommended.

*10262/PHYS 200-01/Tues-Thur 11:25am-1:05pm/100/TBA/Sally Laurent-Muehleisen*

**Astronomy:** If you are completing most of your Natural Science/Engineering requirement through the Engineering Graphics track but need that one course in a different subject, this could be your choice.

*18589/PHYS 120-01/Mon-Wed 10:00am-11:15am/32/TBA/David Gidalevitz*

If you are following the EG sequence for your Natural Science/Engineering requirements, you should note that [EG 325](#) and [EG 425](#) are also offered this term.

### Recommendations for Free Elective Selection

Here are my recommendations for free electives for Fall 2017 with my reasons. All courses are at the Mies Campus unless noted otherwise. All course data follows the format:

*CRN/Course Number/Days-Time/# of Seats/Bldg-Room/Instructor*

**Application Programming Interfaces:** Learn about APIs from a slightly different perspective. May be counted as an ITM elective if you need it for that; Professor Stolley has a joint appointment as an ITM Associate Professor.

*40078/COM 333-01/Mon-Wed 5:00pm-6:15pm/12/GL-LLC/Karl Stolley*

### Fall 2017 IIT Core Curriculum Elective Listing, Fall 2017 ITM Course Listing, and Summer 2017 Course Listing

I have included a complete list of what I view as all the applicable IIT Core Curriculum courses for the Fall so you don't have to track them all down yourself. I've also included a quick-reference of all ITM and INTM courses for the Fall, as well as a list of most of the Summer 2017 courses that might be of interest to ITM undergrads.

### ITM (C) Course Fall Elective Selection

As you are pondering your choice of ITM electives, just a reminder: IIT's general education requirements say that you have to take a minimum of 12 hours of (C) coded courses in your major. These are courses with a significant written and oral communication component. Everyone will do three (C) coded courses (9 hours) as part of the ITM required courses, but this leaves 3 hours or one course that must be (C) coded ITM electives. There are only five (C) coded elective courses in the undergraduate curriculum, and we are offering three of them in the Fall term; all of them are available online as well. All course data follows the format:

*CRN/Course Number/Days-Time/# of Seats/Bldg-Room/Instructor*

**Fundamentals of Multimedia** is an overview examination of multimedia design and creation.

*19995/ITMD 460-01/Thurs 6:25pm-9:05pm/17/TBA/Phil Matuszak*

*19996/ITMD 460-02/Internet/15/Online/Phil Matuszak*

**Fundamentals of Management for Technical Professional** explores fundamentals of management for professionals in high-technology fields; it addresses the challenges of managing technical professionals and technology assets with a particular emphasis on budgeting and managerial accounting. Taught by a very experienced industry professional, also an MITM alum.

*16383/ITMM 470-01/Thurs 6:25pm-9:05pm/10/TBA/Thomas "TJ" Johnson*

*16384/ITMM 470-02/Internet/5/Online/Thomas "TJ" Johnson*

**Cyber Security Management** is an in-depth look at the program creation, administration and management elements of information security at an enterprise level.

*15861/ITMS 478-01/Thurs 6:25pm-9:05pm/15/TBA/Ray Trygstad*

*15863/ITMS 478-02/Internet/7/Online/Ray Trygstad*

You need to make sure you get one of these courses in your program of study; this is a good opportunity to pick up one up.

### ITM "Featured" Electives for Fall 2017

Hot ITM electives for the Fall term. All course data follows the format:

*CRN/Course Number/Days-Time/# of Seats/Bldg-Room/Instructor*

**Enterprise Intelligent Device Technologies:** Windows 8 app development taught by senior Microsoft development professional Martin Schray. Prereq is ITM 311 but 411 is preferred.

*19992/ITMD 453-01/Mon 6:25-9:05pm/7/TBA/Martin Schray*

**Open-Source Intelligent Device Technologies:** Android application development in Java. Prereq is ITM 311 but 411 is preferred.

*19992/ITMD 455-01/Mon 6:25-9:05pm/9/TBA/Peisong Huang*

*19993/ITMD 455-02/Internet/5/Online/Peisong Huang*

**Intermediate Web Application Development:** An introduction to C# and the Microsoft .Net framework; there are never enough .Net developers out there. Taught by senior Microsoft developer Raj Krishnan. Prereqs are ITMD 411 and ITMD 361.

*19999/ITMD 463-01/Tues 6:25pm-9:05pm/5/TBA/Raj Krishnan*

*20000/ITMD 463-02/Internet/15/Online/Raj Krishnan*

## Fall/Summer 2017 ITM Undergraduate Advising Notes

**Behavioral Design and User Testing:** This topic class covers digital product design based on user behaviors, and the testing necessary to determine how users actually interact with your digital system. The prerequisite is ITMD 362.

19559/ITMD/469-01/Tues-Thur 1:50pm- 3:05pm /15/Mies/Daniel Krieglstein

**Shell Scripting for System Administration:** Shell scripting in BASH, Perl, and Powershell to ease sysadmin tasks in all of the major operating systems. Taught by Sam Shamsuddin who is not only an experienced sysadmin but also a martial arts guru!

17183/ITMO 417-01/Tues 5:00pm-7:40pm/12/TBA/Sam Shamsuddin  
17184/ITMO 417-02/Internet/16/Online/Sam Shamsuddin

**Cloud Computing Technologies:** One of the most sought-after skills for new hires and a true indicator that you are a complete technology professional. Prerequisites are ITMD 411 and ITMO 456.

400025/ITMO 444-01/Tues-Thur 10:00am-11:15am/14/TBA/Jeremy Hajek  
400026/ITMO 444-02/Internet/10/Online/Jeremy Hajek

**Database Security:** The subject of how to secure enterprise data assets. Prereq is ITMD 421.

15816/ITMS 428-01/Tues 6:25pm-9:05pm/5/TBA/Hosea Lee  
15818/ITMS 428-02/Internet/5/Online/Hosea Lee

**Vulnerability Analysis & Control:** The “ethical hacking” class. Prereq is ITMS 440; ITMO 456 is preferred as well.

40033/ITMS 443-01/Tues 6:25pm-9:05pm/8/TS-2033/Kevin Vaccaro  
40034/ITMS 443-02/Internet/10/Online/Kevin Vaccaro

**Embedded Systems and Reconfigurable Logic Design:** The menu here includes a healthy serving of Arduino with maybe some Raspberry Pi for dessert, to teach you how to design, build and program embedded systems. You'll complete a major project and present it in an event open to the public. Prereq is ITM 311.

16821/ITMT 492-01/Mon-Wed 3:15pm-4:55pm/18/TS-2030/Jeremy Hajek

Note also that **ITMS 448 Cyber Security Technologies** will meet on the Mies Campus this fall.

### Summer 2017 Courses

I have included a complete list of what I view as all the applicable IIT Core Curriculum and ITM courses for the Summer so you don't have to track them all down yourself.

ITM courses that are generally only offered in the summer include **ITMD 413, Open-Source Programming**. Sections -01 and -02 this summer will tackle the Django web framework with Python—a very hot language for big data—while section -03 and -04 will cover Ruby on Rails, a very popular web application development framework. We also have five required undergraduate courses, giving you a chance to get ahead...

I actually *recommend* every single course the Humanities Department is offering this summer. (That makes three summers in a row!) I especially recommend **PHIL 363-01 Aesthetics**, taught by John “Jack” Snapper, the best teacher at the university. But none are in the evening.

For Social and Behavioral Sciences, I strongly recommend **PSYC 380-01 Behavior Design & User Testing** taught by Daniel Krieglstein, who is also an ITM faculty member. I also recommend **PS 332, Politics of Science and Technology**. Note also that there is an online social science course, **ECON 211-02 Principles of Economics**, so even if you're home for the summer you could still get a general ed course in.

**EG 225 Engineering Graphics for Non-Engineers** is offered this summer which is a nice opportunity.

### Other Useful Information at Registration Time

**Course Retakes for Grade Replacement:** (limit of 3 for 100/200 level courses and 3 for 300/400 level courses for undergrads): You must submit an appeal using the petition process in Degreeworks. Undergraduate Academic Affairs will review it, contact your adviser if necessary, and notify you of approval or denial.

**Bookstore Online:** <http://iit.bncollege.com/>

**Petition for Transfer Credit Approval:**

[http://web.iit.edu/sites/web/files/departments/academic-affairs/Undergraduate%20Academic%20Affairs/pdfs/summer\\_petition.pdf](http://web.iit.edu/sites/web/files/departments/academic-affairs/Undergraduate%20Academic%20Affairs/pdfs/summer_petition.pdf)  
and <http://web.iit.edu/ugaa/transfer-credits>

**Official Academic Program Audit Request:** <http://admission.iit.edu/machform/view.php?id=4172>

**IPRO Course Listing:** <https://ipro.iit.edu/courses/future-projects/>

**ITM Undergraduate Bulletin:** <http://bulletin.iit.edu/undergraduate/colleges/applied-technology/information-technology-management-school-applied-technology/>

**ITM Undergraduate Handbook:** <http://www.itm.iit.edu/data/ITMUndergraduateStudentHandbookFall2017.pdf>

# IIT Core Curriculum Courses of Interest to ITM Students

(No guarantees or recommendations! It's just a list.)
